Dear Dan,

Sorry I neglected my handsome brother, but gee I'm really been busy. Well we got Teresa married off about a week ago Sat. I believe she was about the cutest bride I'd ever seen. (Mabe she'll be beat in January. Ha Ha) She really did have a nice wedding. We did get the bride after a long fought struggle. We didn't take her far (Just through main street) Creed took us serious and was getting a little mad so we gave her back. We really fixed the car up. And got into their suit cases and messed 'em up a bit. all in all it was a lot of fun.

Last nite us kids went to the show we saw "With a Song in My Heart" with Susan Hayward. That's the life story of Jane Froman. It really was good if you ever get a chance to see don't miss it. "Awo Vadis" is playing next week. I'd sure like to see that. It's \$1.25 a shot I guess I won't be able to see if I have to take my self. I'm a good penny pincher.

Gee we've really been having our share of rain this spring sure get sick of it. Today it isn't bad but scattered clouds. Yesterday was the first time Daddy got into the field for about 3 weeks, I think it'll clear up now -----Hope-----

I sure hope we can go to graduation, Daddy said if it rains we will go.

Tomorrow night Lefty Frizell is going to be at Riverside. Betty and I are going to go up with the Pullman kids. I'm sure glad we get to see him. Maybe you've never heard of him. Do any of the guys go out for western music? If so they no doubt have heard of him. I sure do like him. I don't think you would be likely to like him. Ernie Tubbs is going to be up there sometime this summer. Sure hope I get to go to him.

I'm going to finish this if it takes me a year. Pat and Clark were up yesterday. I guess Albert's got us all beat. Gee had her Baby yesterday morning at 2:30. It weighted 6 lbs. 5 oz. They named it Carolyn Marie but will call her Carey. Well Dan I've got some work to do so will cut this off-----Joe Geisler said he lost your address. I'll send you his it changed – He's on his way overseas.
