Dear sister, (Christina, "Sr. Academy, Colton, WA")

I thought I would write a few lines because I had time. You said we should tell you if Charles started school. He started last Tuesday and, the first day was sick of it and Wednesday Mama had to give him 5¢ to get some gum and then he went anyway. The second day Viola had to stay with him.

We planted potatoes Thursday. Bertha, Viola and I am sick with a cold and headache its going all around.

Charles said he wasn't going to school until he would be as big Charlie Gesellchen.

How are you and all the rest of you. Best regards to Sister Rose Thats all the news I know so Goodbye. Excuse mistakes and bad writing.

Your sister
Martha

Expecting a letter soon. Amailia said she did not have time and said would write next week.
