

Note on envelope:

We went to Whiskey Rock & I had just mailed this before taking off—
When I got back Jim & Joan & Bill Borgen were there & I was told of Bob's being missed in
action over the Japan Sea.

Farragut May 22, 1946

Hi Everybody,

Yesterday I fooled around about the base and went to a show last night-then to the Rec.
Hall to lounge and have coffee & cookies served by the Red Cross.

Today a bunch of us are scheduled to go out to Whiskey Rock across the lake- go fishing &
have a steak dinner at an inn. This is a Red Cross feature.

Use your own judgement as to seeding oats in the flat if you think it will pay better to
summer fallow & get rid of the weeds that's OK. It is cloudy & chilly here today & I suppose
there too.

And the kids were to have their school picnic- that's always their luck.
Love to you all -Dad.
