

WHITE SPRING RANCH  
JOHN LORANG, Owner

Genesee, Idaho, May 26, 1922

Dear Son Charles.

I received your letter today, and so I answer it this evening, and I am sorry to say that Mamma is not very well yet.

I have taken her down to Clarkston to Dr. Lint, where I had ben taken treatments, some over a year ago. She is staying at Dr. Lints I have rented a big bedroom right there in the same building and Viola is staying with her, and I am all alone at home, and the clock seems to tick awfull loud in that big vakent house, and it was to lonesome for me this afternoon, and so I went down in the canyon and found a hawks nest and shot a big wood chuck, which I will mount some of these days. and about 2 weeks ago I caught three yong coyotes in Tobins field alive. I dont know now how it will be about coming to Spokane, if Mama dont get any better soon The addresses you wanted to know ar as follows Peter Lorang National Bank examiner New-York Life Block Minnapolis Minn I dont know his No. so you better pot National Bank examiner on

Vincent Lorang Schawano Wis.

You know Tobins live in Clarkston and I don't know there number

Write Mrs. Donovans in care of Albert Lorang. Smolts ar still living in Genesee, but Edwin is in Lewiston and I don't know his No.

Well I wish you were home allredy so I would have some company.

So far we only had a few warm days and the fields look the poorest for this time of the year tat I haver saw them befor. if you want to write to Mamma or Viola yo can direct the letter in care of Al. Lorang. Well it is 10 o clock and time for yongser to go to bed, and so I'll close with love to

you and girls. From Papa-
