Janet-

I apologize for not telling you that I had the film with me from your camera. Just thought you didn't need to worry about it. I believe the one in the camera is a 24 exposure film. The pictures could be better but I wasn't sure how close to stand.

My camera gets blurry after so many feet.

I still can't believe that Dan is gone. It makes me very sad and also very upset with myself that we didn't get together sooner. This whole year with the birth of our grandbaby to Gale's wedding, Maria's graduation, Dan's graduation + Maria's wedding – it seemed like a whirlwind!

I remember the early visits to see Uncle Henry and Dan when we were in Lewiston and much younger. Those trips were always so fun and informative, so many things to talk about + see on the farm. When Dan lived with us, I thought he was the most handsome + dashing young man. We were all so glad he found you and knew he was very happy.

I really enjoyed seeing you at the Marian Conference at Gonzaga a couple yrs, ago and so much enjoyed our lunch together afterwards. Since we weren't able to make the last reunion, I had really lost touch with many on the Lorang side. It was very heart warming to see them again + find out about their families – I just wish it hadn't been for the reason we were together.

I just feel a great deal of sadness and will miss Dan greatly.

Please let us know when you are in town so we can visit. Judy and I may be going down to Lewiston in a couple weeks and, if so, we will call you to see if you are available. You are in our thoughts and prayers.

Much love,

Karen, Gary + Dan
