**Diary of the trip we have started hope that God will bless us to end it in health and return again to Genesee, Idaho.**

April the 7 1910

Thurs. 7 we left home to go as far as Spokane and from there to start the long trip that was planned for many years but when I left my heart ached to leave behind my dear ones! Thursday night we stopped with Tom and Ros (*Lorang*) over night, had a nice rest.

8 Frid we met Sis Pauline at Brother Franks she runs with us all over town trading it was very nice of her at night we stayed with Theodor and Anna (*Lorang*).

Satur 9 Anna and Th went with us for some business. We had our lives insured and went to see Rosali Shoenberg (*Schoenberg*) & Angela Carroll and stayed over night with Paulina and Peter Michels.

Sun 10 This morning we got up at five and went to the Riverside Church to the communion was in three masses had dinner with Paulina and supper with Frank and Mami (*Gesellchen*) in the evening there was a big crowd of friends and relatives to bid us goodby and we stayed over night with Frank and Mamie.

Mon 11 We got up at five and had breakfast with Frank and drove to the depot with a cap cost 1\$ changed cars at Pendleton and took a Pullman sleeper cost 3\$ for one night had a lower berth

Tues 12 We reached Salt=Lake City and stopped at the White House (*home of Mormon leader*)

Wed 13 this morning we took the observation auto and they took us all over town and then we went in the Mormon Tabernacle and heard the big organ play in the afternoon we took the train to the Salt=Lake tonight we stop in the White House

Thurs 14 This morning we took train at Salt Lak we went over some very beautiful mountains went through three tunnels one was 2 miles long went through tunnel eating dinner elevation was 7000 in the night we went over some snowy and quite cold mountains and the highest was 8000

Fri 15 This morning we arrived in Cheyenne Col. lots of snow and icicles hanging all over now we reached Denver and the wind is blowing cold and dust is flying in clouds so we went an hour longer and it's still blowing and everything looks dry and level we saw houses and barns made of sod roofs and all I did not feel like moving here. Now we are in (Tiansasito?) little more settled

Sat 16 The first town this morning was Topeka Kansas a very nice town elm and oak trees the grain is nice and green we changed cars in Kansas City Missouri a very crowded depot all along the road a nice country green fields and trees it snowed a little and it's cloudy at Kansas City, Missouri my watch was two hours behind tonight we went through the City St. Charles, Mo a big town and a Catholic Church

Sun 17 Last night we stopped over night in St. Luis had a very nice bed and a good rest we left St. Louis in the morning at nine its a very nice country here and every town we went through this forenoon has a nice Catholic Church all day its raining steady going to church we running down the track here in Indiana at the rate of about 60 miles an hour but my mind is in Genesee Church I prayed my rosary twice This towns all are build in the woods but they all look muddy and dirty tonight we got to Cincinnati had to change cars in the evening for Washington, D.C. we went through Ohio.

Mon 18 This morning the first thing at daylight we were going through high mountains and oak trees all over and it was West Virginia. the first big city we went through this morning was Cumberland that's in Maryland I counted 4 Catholic churches in sight of the dipos every little town I can see a steeple or more of the catholic *t (cross)* now this noon at about 1 o'clock we got to the big city of Washington. I'm setting here in the dipo now and am writing this we had our dinner here at the dipo its very pretty here. Salt Lake, St. Luis & Washington have the biggest dipos so far we went to the Library building that is a grand structure so many old writings in a (T?) some as far back 1427

Tues 19 This morning its raining we are going out just the same we went in some of the capital buildings the most interested one was the White House (*Washington, D.C.*) There you can see some of the dishes that some of the presidents used and we got the permission to go inside of the East Room thats very pretty and this evening we went to see the Librarian building the way thats built up that's wonderful all marble everything shines

Wed 20 This morning we walked through town and went in the capital building hired a guide to take us through and its a grand building at last we walked up the ent of the Dome wich we had to climb 319 steps up there we could look over the holl city being so high up so this noon, at 1 clock. we left Washington took the train for New York Baltimor was the first big city the next was Philladelphia there we went through several tunnels going through under the city from Jersi city we had to go across the river with the ferrie boat to New York at the dipo we took a horse streetcar to the (Loohouse?) wich is the place where all the Pilgers stop there are several priests and one Bishop is here already the sister cook here it seems everything very nice

Thur 21 This morning we got up a little after five dressed and got ready and went to mass there is a little chapel in this Hotel we were in four masses then went to breakfast after that we hired us a guide and he took us over a good part of the windy city There are so many auto mobiles running that it makes the wind blow stronger we saw the grave of Grant and his wife You can see inside of the Tomb. There we could see the town coffins stand with flowrs on top of it at the door is a guard sitting all day and outside walks a guard around all day that costs lots of money we went with the streetcar under through the city for a long ways

Fri 22 This morning we got up went to four masses then was breakfast then I wrote 30 cards and two letters then we went to town to biggest store in New York They had 4500 clerks there

Sat 23 This morning we went to four masses at the last mass we went to communion the Bishop read that mass and gave comunion and benediction with the blessed sacrament and then we sang Grosser Gott after that breakfast and then went to the ship Berlin at 11 clock we sailed away

the meals are grand and we feel alright yet but don't know how it will be tomorrow. This evening prayed rosary and sang songs of the blessed virgin and then had grand music till ten went to bed

Sun 24 This morning we feel alright yet went to mass on the ship during mass the Bishop gave communion to all that wanted to receive at nine was high mass with singing and Grosser Gott this evening was rosary and songs Papa did not eat supper I eat but appetied was very little.

Mon 25 we got up went to four masses had a little breakfast went and saw one ship pass from a distance. *(we have a photograph of this passing ship)* from Saturday noon till Sunday noon the ship made 392 miels and from Sunday noon to Monday noon 422 miels this evening we had rosary & benediction by the Bishop and singing Mary's songs after that the band boys gave a concert I can't tell you how nice they played.

Tues 26 This morning we got up combed and dressed went to nine masses. I think must have been more then 12 masses. I feel poor but Papa has not felt well yet since we went on the boat. this last 24 hours they made 406 miels this evening was rosary and songs and that orgestra played some grand pieces till we went to bed the dining room is leight with 44 electric lights it looks quite pretty.

Wed 27 This was the same thing was to six masses in the morning all day was the same as ever. the sun shone nice but a little windy but the boat goes very easy its not swingi much but Papa dont feel good this evening had rosary, singing by the pilgrims and the priests. We made 368 miels

Thur 28 This morning we went to three masses then was breakfast at ten thirty we past and Island by the name of Flores we passed several Island this afternoon on one of them are 100,000 inhabitants they raise wheat fruit oranges and peaches they have big churches. There one (*"of them" is crossed out*) Island was 700 feet above sealevel Papa is feeling very bad he could not go to the table this evening had the doktr for him. this evening tonight we sang the song we are going to sing for the Pope. its a German song. Thursday we made 398 miels.

Fri 29 This morning we went to two masses. the wind was blowing cold all day. Papa had breakfast and dinner on deck. he could not go to table. news are very scarce did not see a bird fly by this evening. we prayed the rosary and sang songs and then the mucision played a number of pieces. Friday we made 408 miels.

Sat 30 I got up went to six masses. it rained last night some and this morning the wind is blowing quit hard and the ocean is wild. the ship is rocking quite bad and Papa is very sick. he did not eat any breakfast. I feel so far alright yet but dont no how long. I didnt feel very hungry so I did not go to the table but Papa is very sick. we cant say the rosary this evening. the ocean was just wild all nite don't know when it will stop blowing. Papa did not eat a bit today. the wind blew till 2 o'clock in the night and the ship was rocking quite bad everybody was sick but a few of us. Saturday we made 378 miels.

Sun 1 May This morning I went to communion the Bishop gave communion. I was in six masses. we made 347 miles we average 18 miels an hour. we had Highe mass at ½ 9 with singing and the Bishop gave a nice sermon and benediction at 3 o'clock we got to Gibraltar, that's a very nice city.

the ladies were dressed the same as in Idaho very stylish and the children the same except the little ones wore their stockings below their knees but flowers everywhere and oranges on the trees strawberries for sale all over there were nice trees of palm and other nice shade trees they have 7000 soldiers and their population is 20,000. we went to a nice Catholic cathedral. it was built 400 years ago and it had ten altars. we bought some candles and put them on the altar to burn. it was certainly a nice church! The streets were narrow but paved nice. the buildings were high and mostly stone. I can't tell you how beautiful it was. Papa took one picture.

Mon 2 This morning it's the same as ever all masses and it's the Mediterranean Sea we are now. The water is nice and still, no wind. The sun is shining bright and the weather is nice. The ship is rocking quite hard. We said the rosary again tonight and songs as usual.

Tues 3 This morning I went to 7 masses then breakfast. the waves were very big today and it swung quite bad. it made Papa feel sick again. we passed several islands this morning. we made 413 miles. our Bishop Eis from Marquette. kept well all the way so far. we had rosary and singing a concert by the sailor boys.

Wed 4 This morning at five we reached the shore at Naples and then we went to mass on the ship. had breakfast and eight we left the ship and took a carriage to the Parker Hotel. it's a grand house way up on the hill. had lunch at 11 o'clock. after that went to the train and went to Pompeii to see the ruins. it's remarkable what a sight. the trains are different than in U.S.A. and while there we went to a big church named Mary of Lourdes. all kinds of precious diamonds are left there by the people that were cured and in Naples you can see grand buildings that I ever saw and the streets are covered with some kind of teams. they are goats & cows hitched.

Thur 5 today breakfast walked down to the boat. there were divers carrying the money up with their teeth and toes that the people brought in the water. we came to Capri. we did not go into the blue café we went way on a big mountain where the road was built by that big iron king (Forup?) that cost one half of one million. we had dinner at the Hotel Quisisana. we bought different articles there then took the boat to Naples. but the water was very rough and Papa was sick again. went to bed right away had no supper. it was Ascension Day had mass on the boat.

Fri 6 went in rigs to visit churches. first was St. Clara Sisters at the St. Frances church. They have their convent back of the church where they can remain until they die. there are only three sisters left they can't take anymore. St. Clara is buried there. next was the Januarius church where he was buried we were present there while during the canon of the mass and (hardy?) prayers of the altar boys and priests. the blood that was like jelly in a glass sealed chalice turned a running liquid that we could see it with our own eyes and he let us kiss it. next was the old church of (Martun?) it was built by the monks in 1300 and all carved marble and made wood it must have cost millions of dollars and it was taken away from the Catholic church by the Government in 1860 and was not in use ever since

Sat 7 This morning we took coaches that were ordered to take us to the dipò to take the train for Rome we arrived in Rome at one (o'clock?) had our dinner at 2 o'clock after dinner we were taken out with taxicabs to the church of St. Cecilia underneath are some of the rooms yet where she

lived the bathroom where they tried to choke her is preserved yet. there is an altar in it a little ways from the bathroom she is buried under an altar. the statue was laying just like the one I bought now Oh its everything wonderful the bells were ringing when the pilgrims drive up to the church next was buried cardinal Hosius (Innocence?) the 2 Pope Pius the 9. next we went to a church where several cardinals were buried. my watch was seven hours behind Genesee have 5 this morning. next we went to St. Peters Church the bells were ringing when we got there. everyone knows what a grande structure that is we went down a steps to the grave of St. Peter we layed our rosary and gold crosses on his grave it certainly is so beautiful that I have no words to express myself go and see it.

Sun 8 We went to a church that was built in 1600 there Ignatio was buried and St. Aloysius grave saw and knelt by it and prayed for my children there St. John Berkman and Gregor the 15 were also buried there. next was a (*church?*) named Maria Superrania and St. Kathrin Sienna was buried there that's where Rosefelt left two nice wreaths of flowers for the Kings graves catholic mission was next. Then St. Maria Angleo church built in 1600. several cardinals were buried there. Natural Museum in the Park where goldfish and trees and all kinds of statues. then we went to the church Maria del (*Anima?*) to confession.

Mon 9 This morning went to church Mariadel Anima to communion all the Pilgrims went to the communion they took us back again to breakfast then there come the rigs again to take us to meet the Pope first when we got to the building we walked four and five in a row and up, up, up the steps and through the halls and passed the guards of all description and collars and where dressed pretty, until we got in one grand room with a green plain carpet and red (*portieres?*) and the golden apostolic chair was standing at the head of the room. there we stood waiting it was a precious moment when we could see the nice white figure coming through the door with his body guard and Bishop Eis from Mich. then he spoke to us in his language afternoon & an other priest translated it to us in german then he said "Gelobt sei Jesus Christus" it sounded sweet next he went around and everyone took hold of his hand and kiss his ring and hand and that way he walked through the room and everyone, then he blessed us and he blessed everything we had with us, rosarys and prayerbooks and pictures and then he said "Gelobt sei Jesus Christus" and walked out of the room so we went down in hallway and had our picture taken. All the Pilgrims then we drove home for dinner.

Tues 10 This morning went to church and heard four masses then was breakfast. after breakfast our buggies were ready at the door to take us seeing the sights. first was the church of St. Joachim very pretty with 14 chapel of different nations next we went to the St. Peters church again. That is so wonderful that I cant discribe it it costs in the line of 200,600 Franks, was started to be built in 1526 Leo the first the great was buried there Leo 2 Leo 3 Leo 12 Leo 11 Leo 9 and he was German. we were by there graves. next is the church of Phillippe Nero we saw his mothers where he slept on and room where he lived. it was built in 1595, then capital museum, then the church of Archangel. there was buried (*Queen?*) Helen. then was church Maria (*Arayumi?*) St. Agnes was martered (*She?*) age 13 and buried there. This was the church of Lawrence and Stefan they were buried there and also Justin, they were Saints. Pope Pius 9 wanted to (*be*) buried upside the grave of St. Lawrence next was church St. Andrea. St. Stanislaus Kostka lived in some of them rooms where Stanislaus died

Wed 11 This morning right after breakfast our buggies where at the door the first church hollie Crosse of Jerusalem. there we went up on our knees the holly stairway that Jesus walked up after the Jews condemet him to dead we crept up on that on our knees and kissed each steps and I layed my rosary on it. next was the Mother church of Rome. Statue of the 12 apostel where there and there was to be seen the original table of the last supper. I touched our rosary on that. next was to be seen the (Scrolls?) of St. Peter, Paul and John the Babtist and the table where St. Peter read mass on the original one. all prisons relics where moved to Rome from Jerusalem. next church St. Clemense then the round Church of St. Stefan. St. Stefan and St. Paul where beheaded there. next was Gregories church, his room where lived. we saw his chair. it was made of stone and a long table where he fed the poor. next was Colliseum where the Saint where martured and room enough to seat 90,000 people to look on when the wild animals tore them to pieces in the holly cross church where also to be seen the thorns of Jesus the true nails, we bought one nail. They tought the true nail with that and there where some quite big splinters of the true cross where Jesus was nailed on and the finger of St. Thomas where he toughed the wound of the side of Jesus. next was the church of St. Paul that's a wonderfull church that's where he was buried and the room where St. Bernard said mass. next was church of St. Sabina and Alexandria, room of Pius the 5, next the room of Dominckus and there was an Orange tree with oranges on it that St. Dominckus planted then was the church of (Anslom?) and next was the church of Alexius. now we drove home and they are ringing the bell for supper.

Thurs 12 This morning we went to the Sacret Heart church and three mass then to breakfast then our team was standing at the door. first we went to (Apalatm?) catacombs Then was the church of Sebastian they claim that Jesus on the cross bend down has head and spoke to (Pontus?) Nero. next was the church Tibelius and there below underground beneath the church was the Prison where Peter and Paul was chained and kept prisoners till they where killed. next was Martena Church and where she was buried. next was a church of St. Peter where the chains where shown the S. Peter and Paul where chained with (*"St. Martinas church and" is written here and crossed out*) in the St. Alfonsus Church was the original picture of Maria (Heilfs?) next was the church of Maria Maslaris that was where Pope Pius buried then was the Braedi church and marterer Carl Buromaus stone chair and table was shown and spong that a saint Brackedi wiped up the blood from Saint that where put to dead for there religion the was the church of the immaculate conception thats where we saw below underground four little rooms where about 1000 or more skulls and boens where staked up high in each room that it made me schutter of monks. that where laid there for there last resting place and under one after was on monk layed to rest in his habit and looked fair yet his hands looked like live.

Fri 13 This morning right after breakfast the rigs where ready to take us to the vatican garden. we went through the biblotheck and museum one main hall there was 1000 feet long in one stretch everything in there was beutifull. paintings and statues in there then we went through the vatican garden that was certainly grand. we picked flowers and pressed them to take home. There where beutifull palm trees and all kinds of other trees. This afternoon we went out over the city and into a park. There where flowers and lots of animals and a little pond there where swimming in there swan great big fellow. After that we went to the St. Peters church and there was the finishing tough. we had a sermon of the Monsignor and he gave a very touching farwell and cried that he could hardly speak. at last then we sang some songs and Grosser Gott the (prelate?)

Sat 14 This morning most of the Pilgr are going away but we are going to stay yet our friends that we made in New York went this morning Mr. & Mrs. (Rosomisel?) and Mrs. Bott we where all over town and went up the St. Peters Dome, its 400 feet high. I walked up the steps as far as the steps goes there I wrote my name and address just as you come up on your left side on the wall just (?) down over the bench that's made there to rest on when you get that far. This is the form I wrote it in

Mrs. Mary A. Lorang  
Genesee  
Idaho  
Latha Co.  
U.S. A.

I did crawl in up in the ball that went up on an lahter I think I was to big to sqaese through up there anyhow. we saw a funeral. it was a chief of the soltior that was buried and was a grand show flowers all over the horse and soltiors walking and the band playing. we stood up on the steps of Cooks office so we could look all over the crowd. in the evening we went to (?) downtown. then to supper.

Sun 15) This morning we went to the St. Peters Church to high mass. it was a grand celebration, there were three priests on the alter and music and singing was fine. There thousands and thousands of people. There we went early so we got a bench yet the sit on and we had the prievege (*a few lines here are unreadable—see John Lorang's journal*) to go to the grave of St. Peter we had a bunch of rosary and toughed it on the grave. then we went home to dinner and after that in the afternoon we went to the hollie stairway church and there is the true stair that Jesus walked up after he was condemed to death up that stairs nobody is slowed to walk they all have to go up on their knees and pray while going up. we went home, had supper wrote letters till 11 went to bed.

Mon. 16 This morning where geting ready the (?) away from Rome took the train at 12 for Loretta. there were very pretty seenery coming through the contry they have lots of wine. grape and vegetable where very rich and some grase and oats and corn there were lots of trees. a very pretty contry coarse high mountains and canyons.

Tues 17 This morning we went went the church of Loreta and and was to 4 masses at the church that's build over the hous of the hollie Familie the church is named Loreta the house of the blessed Virgin was carried by angels from Nazareth to this place but it was moved twice. last it was carried to where it stands now it appeared on May 10<sup>th</sup> 1291 from wich it was carried from Nazareth to (Toraty?) on December 12<sup>th</sup> 1294. it appeared again at (Adriatoc?) 18 months later it was where it stands now and in 1464 They built a church over it The House of the hollie Familie is of stone and is 28 3/4feet long and (*next two lines are unreadable—see John Lorang's journal*) 12 feet 8 inches wide and 15 feet and 9 inches high a statue of cedar wood of the blessed blessed Virgin holding the child, Jesus is venerated hear. the statue was made by St. Luke there is also a fireplace in it and a little dish that the blessed virgin used. we layed our rosary into the dish also some medals and the blessed virgin statue and had them blessed. we went to confession at Lorettas church this evening then came a crowd of Italian pilgrims Then came to the church door and went on their knees and

crept in the church through the hall church till up to the alter praying and crying and singing the Litani of the Blessed Virgin carying a crucifix In Lourdes they call little money (makarong?)

Wed 18 This morning we went to the church of Loretta to comunion then we took the Buss to the dipo took the train from Loretta to Brindesi from where we will go to Alexandria & Cassia we cam through some very good contry the grain wheat and barly where looking fine barley was getting rip all the citys we passed on the way where build of stone we got hear at ten in evening it's a nice Hotel we are stoping. everything is stone The floors and steps going upstairs is also stone and stands & table

Thurs 19 This morning when we looked out their cam the cows and goads to be milked they milk them right on the street befor the house and sell it fresh from the cow we went to mass this morning then walked over town to see them close quarters the people live. in this afternoon we took a boat ride and went in a garden. got us some fruit and flowers.

Fri 20 We went to church and Papa took some ought pictures this fornoon. this afternoon we went to take the boat. at three went on the boat at four we sailed off, we have a nice room with two berths lots of room to dress. we did not get a letter from home since we left New York and I feel very blue now (?) I'm at home sometimes in the night that makes me feel good sometimes in my sleep anyhow!

Sat 21 This morning we are on the Mediteranian Sea the weather is nice and the boat don't swing at all neither one of us is sick the board is grand eat all the time in the morning as soon as we get up coffee and bread and butter at eight sup if we want it then at twelve breakfast in three four corses then at four tea and bread and butter at 6 ½ regular dinner in eight and nine corses then finger bowl its high toned! we did not get sick so far.

Dear Children & all

Now as you see we are in Amerika again and I expect it sounds good to you. Oh it wont be so very long now anymore and we will see each other again. I hope you are getting along nicely which I think you are dont worry and work to hard everything will be alright no matter what when we get home then we will fix up again but I think the hardest days are over by this time as you say that you have thresed. Oh I'm so glad that your through with that and I expect everything turned out good and how are your flowers. I expect you had no time to look after the garden! and as you say Christina you have quit a few chicks that surly looks good to you! and Martha's calfs are surley as as fat as herself ha ha—and Viola's potatoe patch how does that look I wonder maybe full of wild oats hey! Oh I expect it will turn out good to I I'm fat sure you wont no me anymore. I'm going to get weighed today I want to see how much I lost may be ten pounts I tell you next

time! and my big fat Charl's I expect he works very hard and I expect he got fatter that I will make a mistake and wont no him anymore but I will no him if he smils a little!

Well I guess Papa wrote all the news so I have to write foolishness. Well Barney as I saw on that cart everything works fine I'm so glad that you are getting along so nice and I hope that the prices will be good also that you will have good luck also with that and so we will go to Wisconsin as everybody is well at home but we wont stay any longer then nessary after the golden wedding if they are getting very homsick and Amalia and Bertha we also got all the letters and where very glad that where getting a long so nice well I hope you all have enough dresses to wear when we get home you will get some new suits and also winter coats I hope you will have enough till we get there if you havent you must ask Aunt Tina what to do or Barney can see to it but the winter coats I will get for you when I get home try to get along without them caus I wont you to have a nice one. write to us now to Wisconsin we will be there about the fourth or fifth of September that Miss Gertrude Veoll is a lady. I got aquainted with on our trip she is very nice and said she would write to me I heard in Germany that Mike Gesellchen died
