Dear Mrs. Lorang,

Your card came in the mail last night. I would like to work steady—that is all winter or longer.

I grew up on a farm and the work I should find should not be hard for me. Last winter I did all the cooking at the Winchester Inn here. Previously and since then I have been doing housework in the town here. So I feel that after I get started I should be able to go ahead without any trouble. I suppose Mrs. Romine told you I am 26 yrs of age. I like to have a good time but do not care about tearing around like so many of the girls are doing now.

I could give you references but feel as though it is unnecessary. I like to do housework of all kinds and truly think we should get along very happily together. Am used to taking care of children if there be any. At present I am taking care of a family where there is a new baby. But will be thru here in a few days.

I must close and get this sent, hoping to hear from you soon, and if there are any questions or anything you wish to ask I would be glad to answer.

Sincerely yours,

Cora Hartman
