Henry M. Lorang,

Genesee, Idaho.

Dear Sir:

The County Treasurer has placed in my hands a Warrant of Distrain for your personal property tax for the past year in the sum of \$16.74

Now this means that unless this is taken care of right away, it will be necessary for me to take enough personal property into my hands to cover this amount and sell the same five days from the time taken and of course the mileage, cost of the sale, etc. would make the amount about three times as large as it is now.

There is nothing exempt under this law, and I am held liable for the amount of these taxes in twice the amount and interest if I do not act.

I am sure that it is merely neglect on your part, and am sure that you want to save both of us the trouble and extra cost of this tax, so I wish you would attend to this matter right away.

Thanking you in advance to look after this matter, I remain

Yours truly,

GEO. K. MOODY, Sheriff.
