Bakers of Holsum Bread and other Quality bakery products

March 18th, 1973

TO WHOM IT MAY CONCERN:

This letter is to introduce you to Mr. Dan Lorang.

Mr. Lorang has been an employee of Holsum Bakery in Lewiston, Idaho for the past 16 years, He worked as my afternoon shift foreman from 1964 until I left Holsum in Lewiston, March of 1972. He has continued on as foreman.

I found Dan to be prompt, neat in appearance, cooperative, and a very conscientious worker. Whenever I left the plant and left Dan in charge I new the job would be handled in the manner I expected.

I would definitely hire Dan in my present plant if a position were available. I highly recommend Mr. Lorang for any position he should choose.

Sincerely yours,

Gerald R. Dietz

Production Manager

Dear Dan,

I enjoyed talking to you today. I wish it could have been a more cheerful subject. I'm sorry to hear things are looking gloom.

I hope this letter is what you were expecting, and it does you some good.

When in Spokane stop by and visit awhile whether at the bakery or my home. You are always welcome.

Hang in there, maybe things will brighten up in the future.

Gary
