Dear Children! We received your letter this morning that you wrote the 14<sup>th</sup>. it was delayed. I see you are all well and I'm afraid your getting lonsome. It won't be long now and we will be home and to stay. We have to stop off a couple of times yet, but we won't stay long at no place. We will write again in a couple days. We are going to leave hear today and don't worry about putting up fruit. What we havent got next winter we will buy. Don't worry, everything will be alright. I hope you will take care of yourself that you don't catch cold. Dress warm when it gets cold and Charles also be sure he is warm.

Yours with love to all. Mama I guess Barny is working hard.
