Dear friend Henry.

Just a line old boy to let you know that I have been transferred out of the 247 to the 638th squadron. I was to four different camps in Eng after I left Beverley and I have been all over this place they call France. I will write you a letter tomorrow as I will have more time then. I am writing this on a book so you will have to excuse writing. Please write to me often as you can, because I sure would like to hear from you. I haven't got those pictures yet but I sent for them and as soon as I do get them I will send yours to you. I haven't any more time to write now as we just got here and everyone is in a hurry. Best regards to all the fellows.

As ever your old friend.
