

Uniontown  
Monday, noon

Dearest Martha:

You've got to quit calling me names or I'll start the next worse than this one. How is your good health. I'm absolutely a blank today for my little amount of brain melted yesterday. Did you see the game yesterday and how did it turn out? I'll bet your team lost, but we sure cleaned up on Kendrick 10 to 3, and they beat you 19 to 1, oh gee what will we do to Genesee about 10 to 000. So you was going to Potlatch. how if its any of my business I'm glad you didn't come for I can't play hard when your around. Gee I'm glad it rained. You'll have to quit using that language or I'll disown you, I might loose my good rep.

Have you ever down to Kendrick, in a car. say its some trip. we ran over in less than an hour and a half. There were five of us young bucks in Thill car and we sure went by everything, it was a real joy ride, I had three wild rides yesterday. Bart Schumacher drove from Johnson to U. in 14 minutes. I've got a headache, oh no not from late hour celebrating. I hit one of those crosspieces in the top of Thill car and I sure saw two or three stars. I've got a fat rack on my head now, it sure is something. You've lost out with me for I saw two of the cutest little girls in overalls riding horseback on the other side of Genesee.

When do I get one of those pictures or will I have to come and take them. What do you mean by you'll never set a date for me again, can I come whenever I want to, and so I never keep my dates? Say, I'm peeved at you. I know you've got that ring I wish it was the red one for I may have to give that one to its owner. Well Mart, I don't know any news so I'll close and want an answer soon.

When you ever down to Kendrick in

thing it was a real jpy ride,  
I had three wild rides yesterday  
Bart Schumacher drove Tom  
Johnson to G. in 14 minutes.

I've got a head ache, oh no not from  
late hour or celebrating. I hit  
one of those cross pieces in the top  
of the hill car and I sure  
saw two or three stars  
I've got a hat rack on my  
head now, it sure is some bump.  
You've lost out with me for I saw  
two of the cutest little girls  
in overalls riding horseback  
on the other side of Geneva.

When do I get one of those  
pictures or will I have  
to come and take them.

What do you mean by you'll  
never set a date for me  
again, can I come when-  
ever I want to, and so  
I never buy my dates, say  
I'm pined at you.

I know you've got that ring I  
wish it was the red one for  
I may have to give that one  
to its owner.

Will Mark I don't know
