Mr. Henery Lorang,
Genesse, Idaho.

Dear Cousin,-

Your most welcome letter was recieved the other day and I have at last had the time to answer it.

In your last letter you said that you thought I wouldent have time to write to Johnie J, but time isn't all that is needed, and you also said that you would give my love to him, but that would make him think that I was trying to get him away from Marie.

Henery I am awful sorry you were sick, I hope you are all right again, and how is every body else down there, I sappose Aunt Tina is almost heart broken because Edwin is going away

We got a letter from Annie Dixen and she said she would like to see you boy's as I told her how pretty you's all are, she wrote as though she knew

Well Henery how is Edna I sappose Johnie Brembling will be getting angry at you if you aren't careful, but I think she likes you the best

with love to all I will close hoping to remain

Your loving cousin
