Well. Henry It is sort of bad to get a job in Genesee. I suppose it isn't like Spokane. (*where*) you cant see all the business Houses in ten minutes. But never mind Henry there will come a time some day as the old saying is that Every dog has his days. HaHa

Well we will drop that subject and how is old Genesee at the present time. I suppose full of fun as always. Well, there is a grate plenty of fun in this town. I have a good time ever sence the Fair and It will continue if know any thing about it Well Julia and I have been to the theater and also to a dance last night and had a good time and will go to another next week and I wish you were here to go along with us.

Well Henry I saw Miss Liltie Smith. But only at a distance and she was with some company so I didn't interupt her at all. But she is here as always at the Fair. Ha Ha Ha

Well Henry I don't know any more so I will close for this time next time more, As Ever

Your true Cousin
