My Dear Friend!

Rec'd your letter some time ago but fail to answer sooner because I have been overloaded with work. We gave a play named "Tony the Convict" Friday April 28, that is the Dramatic Club gave it & I had the part of Sally. I always get such a part because everyone says I couldn't take a serious part. Paul took the part of Judge & he certainly was fine. Thursday afternoon we gave it for the school Children & took in \$10 & last night we took in \$81.45 --we have only a few expenses such as the hall \$10, & after that we will have a good times with the rest. The Club is compose of all Catholic Young people & we certainly have good times.

Our school will be out the 26 May & I certainly will be glad, for I have been staying with Dr. Shimnick's & she has been at Lewiston so much of the time & I am taking 7 subjects in school & practicing the play all at one time. (Think I wasn't busy).

I saw your mother & Bertha at Lewiston several weeks ago & I rather surprised me. I saw Lazetta Gesellchen at church but I don't think she saw me.

We have a picture of the G.H.S. on Kid day & I think you look quite natural. We all had our pictures taken at school the other day. I had my face that four times. 1st with the H. S. & next the Cooking Class & then the Basket Ball team & then I had mine taken alone. When I get them, I'll send you one, if they are any good.

My pen is almost dry & the writing is horrid.

Mamma is busy making garden & Paul is plowing today. I just about run short on news. So I guess I ring off for today.

Hoping to hear from you soon.

I remember as ever your friend Caroline Terhaar
